Harris & Harris -

Dear Sirs

Can you give me any information of any one who buys old coins I have in my possession a gold coin dated 1733. I found it on my farm about one year ago, it is in prefect condition I have not been able to find out what kind of money it is, or how much it is, the only information I have obtained is this

Eberhard Louis

Germany.

If you can give me any information I will be very thankful, Yours Truly,

Gentlemen

Your card
the date of the Gold
coin is 1733 instead of
1735 as you have it. I
learned at the Mint that
it was a Wurtemburg coin.
a German man that
has handled moneys of
all kinds has examined
it he gave me as much

information as I obtain-
-ed at the mint, he says
it is very valuable as it
is the first of gold and
it is valuable as a old
relic, he would like to
have it, I have had
several offers, I also
have a copper cent-dated
1793 it is in perfect-
condition, these are
rare old coins and will
demand a good price
if you will make me
a offer I will bring
them down and let
you examine them.
